the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Commission. Neither the European Union nor the European Research Executive Agency can be held responsible for them.

CircularInvest in short

CircularInvest helps local and regional circular economy projects from across Europe become investment-ready and access financial resources. CircularInvest project development assistance (PDA) includes a variety of customised services based on the needs of project promoters including technical, business, legal and operational support.

Why to join us

- **Get tailored assistance and secure funding**
- **Learn how to pitch your project to investors**
- **Meet potential investors and partners**

CircularInvest in numbers

Partnership

INOVA+, the project coordinator, is a specialised consulting company that supports the growth of organisations through innovation, digital transformation and access to funding.

META Group is a leading advisory, consulting, and investment firm dedicated to the creation and scale-up of knowledge-intensive companies.

ICLEI, with a network of over 2,500 local and regional governments, promotes sustainable urban development around the world, providing networking and knowledge transfer opportunities.

Circle Economy is a global impact organisation that works with businesses, cities and nations to scale the transition to a circular economy, with over ten years of experience in working with over 40 cities and regions.
