

Dear Members, Partners and Friends of Slovene Dutch Business Platform!

The **2025 SDBP Investor Conference** builds on the strong momentum of the last two years, connecting the most promising projects and investors from the Netherlands, Slovenia and beyond.

Previous conferences featured innovations in **sustainable construction, energy efficiency, biotechnology, smart cities, digital transformation, food production, and the circular economy**, and sparked numerous **cross-border partnerships and investments**.

This year's format goes further.

The opening lectures evolve into an **interactive roundtable of best practices (NL→SI and SI→NL)** – focusing on practical lessons you can apply immediately.

On stage, **selected companies** will present innovations with **the highest investment and growth potential**.

And throughout the afternoon: **structured 1-on-1 matchmaking** to connect ideas, capital and partners — with additional **online follow-up meetings** in the days after the event to continue discussions and explore collaborations.

In the broader context: The Netherlands ranks among the largest investors in Europe, and trade between Slovenia and the Netherlands has almost doubled in the last five years – creating even more opportunities for smart capital and innovation.

You can **choose how to participate**:

● **Attend onsite or online**

- **Onsite participation (Ljubljana, SBC)** – free of charge; limited seats, priority for Investors and SDBP & SBC members.

- **Online participation** – stream access with networking options.

● **Pitch on stage (Investment Showcase)**

Present your innovation in a 6-minute pitch before investors and partners.

Selection based on innovation potential and export readiness. You will be notified by **24 Nov 2025**.

● **Be featured in the e-Catalogue: SDBP Opportunities Book 2025**

The next wave of scalable ventures from Slovenia and the Netherlands. Gain visibility among European investors, institutions and corporates.

● **Partnership & Sponsorship Opportunities**

Join as an official partner or sponsor of the SDBP Investor Conference 2025.

Position your brand at the centre of Dutch–Slovenian business cooperation and innovation.
